This free workshop will be provided by FirstEnergy's Ohio utilities and Sodexo. Attendees will learn more about energy efficiency programs, including:

- Who is Sodexo
- How to apply for rebates using our online portal
- Ways to save money and energy at your facility
- Eligible equipment including lighting, motors and drives, HVAC, controls and more
- Available resources - website and marketing materials

Technical staff will be on site to assist with filling out applications or starting the planning process for your upcoming projects.
